

Toledo Olde Towne Neighborhood Association

Thursday, January 18, 2024

6:00 to 7:00 pm

Kent Branch Library

Central and Collingwood

Please join us at our monthly Neighborhood meeting as we continue to address interests and concerns important to our residents and business partners.

This month we will be joined by **Engage Toledo**, also known as **419-936-2020**, the one call shop for all things City related! Here's your chance to meet in person with the number that we call day and night to enter our requests for City services. Bring your specific concerns and we will attempt to get specific answers for you on site.

And, as always (almost), we will be joined by Officer Douglas Schwab, **TPD Community Service Officer**, to address our safety concerns.

Questions? Call or text Fanny Effler at 419-304-3413, Rhonda Cole at 419-699-5603, or join our Facebook Group at Toledo Olde Towne Neighborhood for ongoing news.
